

LUNCH + LEARN REQUEST

We bring the lunch, you bring the questions! A Lunch + Learn is a worksite meeting that is offered to HGGEA members to provide information about our union and its services. Topics are selected based on member feedback/requests (ie., “What does HGGEA do for its members?” “Political Action: Why do it?” and “I heard my department will reorganize. . . what rights do I have?” or “What’s going on with contract negotiations?”)

Meet HGGEA staff and stewards and get answers to your burning questions. Fill out the Lunch + Learn request form for your worksite and submit to our Member Service Center at service@hgea.org or by calling 543-0000.
