

Will you join
us to make
every drop
count?

We need you, our union members, along with your families and friends to answer the call. Every summer, blood donations drop to critical levels and this puts the people of our state at risk. That's why HBCTC is rallying our members to show that when our communities depend on us—we are ready to **make every drop count**. Join us in **Giving for a Better Tomorrow** by scheduling an appointment at **bbh.org**.

@BloodBankHawaii #HBCTCcares #EveryDropCountsHawaii
